

Food H & P:

1 box cake mix (butter, white, or chocolate)

2 eggs

1 stick of melted butter (or ½ cup of vegetable oil)

1 cup of mix-ins (M&M, chocolate chips, peanut butter chips, toffee, pecans, walnuts, Reese pieces...)

Food Rx:

Mix everything together. I usually reserve ¼ a cup of the mix-ins to sprinkle on top, making the cookies prettier and letting your guests know what is in it. Place in a greased 9x13 inch pan. Bake at 350 degrees for 20 mins, careful not to overcook.
